

**6th ASME District G
Operating Board Meeting
Kuala Lumpur, Malaysia**

Hong Kong Section Report

Contents

- **Structure & Role**
- **Objectives & Plan**
- **2009 – 2011 Activities Done**
- **2011 – 2012 Activities Planned**
- **Q & A**

Current Structure & Role

- **Section Officers**
 - Section Chair → Randolph Leung
 - Section Vice Chair → David Yip
 - Section Treasurer → Janet Lam
 - Section Secretary → Tracy Choy
- **Sub-committee Chairs**
 - Advisory Committee → WK Chow / Henry Ho (Past Chairs)
 - Industrial Committee → Thomas Cheong
 - Education Committee → KK Lo
 - Publication Committee → Samuel Ng
 - Liaison Committee → HS Lee
 - ASME Hong Kong Student Section → Jeff Wu

Objectives & Plan

- Keep tracing the trend of current engineering industry and provide suitable activities and trainings to enrich the knowledge of our members.
- Work closely with other professional institutions & education institutes to enlarge members' exposure.
- Build up a strong network locally and globally among existing members, the society and the Headquarter.
- Encourage young people to enter mechanical engineering profession, help to develop them to contribute to the society.
- Develop & support the Student Section by assisting them in organizing different activities to enhance their independency & team work abilities

Activities Done (2010 – 2011)

➤ Engineering Week 2011 (EW2011)

Idea was conceived in Sept 2009 and decided to proceed in April 2010

Activities Done (2010 – 2011)

- **EW2011 (5th March – 13th March)**
 - Joint Organizers contributed HK\$ 170K as the seeding fund and managed to raise over HK\$1.1 millions sponsorships and donations
 - 5K volunteer hours to manage the programme
 - over 4K students, professionals and general public to attend EW2011 events

Joint organizers

Activities Done (2010 – 2011)

- EW2011 – Opening Ceremony, 5th March

Activities Done (2010 – 2011)

- **EW2011**
Young Inventor Competition

Activities Done (2010 – 2011)

➤ EW2011- Gala Dinner on 7th March

Activities Done (2010 – 2011)

- EW 2011 – Distinguished Public Lectures 8th-11th March

Activities Done (2010 – 2011)

- EW2011 – Design Competition for Elderly 12th March

Activities Done (2010 – 2011)

➤ EW2011 – Engineering Carnival 13th March

Activities Done (2010 – 2011)

- EW2011 – Closing Ceremony, 13th March

Activities Done (2010 – 2011)

- **Presidential Reception on March 9, 2011**

(Participants → ~100)

Activities Done (2010 – 2011)

- Presidential Reception on March 9, 2011

President Impressed by Student Members' Achievement

Activities Done (2010 – 2011)

- **Presidential Reception (New Hong Kong FASME Presentation)**

Dr Peter Tse

Prof. George Huang

Activities Done (2010 – 2011)

- **Presidential Reception on March 9, 2011**

Activities Done (2010 – 2011)

- **Presidential Reception on March 9, 2011**

Activities Done (2010 – 2011)

- **Presidential Visiting HKIE Promoting Engineering for Change (E4C) Initiative**

Activities Done (2010 – 2011)

➤ **Presidential Visiting HKIE HQ**

**HKIE Senior VP
- Ir Dr F. C. Chan**

Activities Done (2010 – 2011)

- 1st Meeting for 2011 International Leadership Summit (Jan, 2011)

Activities Done (2010 – 2011)

- 1st Meeting for 2011 International Leadership Summit (Jan, 2011)

Tom Perry's Presentation

Activities Done (2010 – 2011)

- **1st Meeting for 2011 International Leadership Summit (Jan, 2011)**

Meeting PolyU President

Activities Done (2010 – 2011)

- **1st Meeting for 2011 International Leadership Summit (Jan, 2011)**
 - **Tentative date: Sept. 28-20, 2011**
 - **Tentative venue: Hotel Plaza Metropolis / ICON**
 - **Planned event size: ~100**
 - **Budget draft circulated.**
 - **Informal promotion on CMES and ASME sides → Positive responses received.**

Planned Activities (2010 – 2011)

- **2011 ASME Student Design Contest.**
- **2011 International Leadership Summit**

Q & A

• Thank you !!
